Greenwood

Following is an excerpt from the Community History of Greenwood.

The first school in Greenwood was a log building situated on the north side of the old highway on land later owned by Everett Dechman. It was called Benvie's, Upper Musquodoboit #2. The school was supported by the parents and, the teacher's name was William Muir (June, 1832 – November 1832). The first preaching in Greenwood was at the home of Wellwood Reynolds. There was a flagpole located on the Dechman hill. Mr. Dechman raised the flag whenever the preaching was taking place so the people would know. Rev. John Spratt was the minister. Rev. Spratt had the first wagon in the Valley and about that time, the government appointed a magistrate. The minister was driving one day when he

picked up the new magistrate. He wanted to know what he thought of his wagon. The magistrate made answer, "It is a better conveyance than your master had, when he rode into Jerusalem sitting on the back of an ass." Rev. Sprott replied, "The government had taken all the asses and made them into magistrates, so I have to do with a horse."

The first blacksmith shop in the Valley was located in Greenwood on the Wellwood Reynolds' farm. Mr. Scott was the name of the blacksmith and when he moved away, he felled a big tree, hollowed it out for a boat and he and his wife floated down the river to the Harbour.

To learn more about Greenwood's history, please drop by the Visitor Information Centre, Middle Musquodoboit before Oct.6.

Where are they now?

This month, The TownCryer received the following correspondence from Rod Redden, of Toyama, Japan. Online readers/subscribers who have some connection to the Musquodoboit Valley are encouraged to contact this little community newspaper to let us know where you are now.

Hello. My family is still in Lindsay Lake and Middle Musquodoboit. I just wanted to give you some information about how I'm doing. I've been teaching English as a Second Language first in Korea from 1996-99 and then, I moved to Japan where I have been teaching since 1999. I came home to Nova Scotia for nine months in 2003 and married my wife Emi on May 18, 2003. We have 5 children. Tomoki 14, Kazuma 12 (both boys) Arisa 9, (girl), Ian 2 (born May 12, 2005) and our newest daughter Leena born June 27, 2007. I graduated from Saint Mary's University with a BA in History in 1995. Since then I have worked for Parks Canada as part of the 78th Highlanders. Then, in November 1996, I began my career as an English teacher. I was able to see some of my classmates at the Ex in 2003. My Japanese kids really liked seeing a Canadian festival. Thanks for the little paper.

Sincerely,

Rod Redden BA Saint Mary's University 1995

To serve and protect

RCMP Halifax district – North central office

There have been a couple of staffing changes at the North Central Office in the past month. Cst. Pollock has left the office to return to the Cole Harbour office and a new recruit has joined the office, Cst. James Stapleford. There were 88 calls for service in the month of July. Now schools are back in, the members will be spending some time getting to know the staff and students at each of the four schools in the area. Also, with a new school year, come volunteers who need to have criminal record searches done. These searches can be completed at the office at 12090 Hwy. 224, Middle Musquodoboit. There is a charge for the service - \$12 for volunteers and \$30 for employment and other searches. You must bring cash (the exact change), as well as two pieces of government issued identification, such as driver's license, health card, SIN card or birth certificate. Searches are usually completed within 2 – 3 business days, unless you have lived outside the area within the past 5 years. The office is open Monday to Friday from 8:30 am to 4:30 pm, with the exception of lunch time from 12:00 - 1:00 pm and holidays. For an emergency please call 911.
